

## The Adjustable Gratnells System

### Tall Storage

Gratnells tall frames are the key to successful storage. The tall frames are complete with tops, adjustable feet, and back diagonal bars for additional rigidity. Brackets to join the frames or fix to the wall are available in pairs.

### Finish

All parts are degreased and phosphated to increase scratch resistance before grey, white or beige epoxy coating in a matt finish.

### Assembly

Supplied packed flat with instruction leaflet. The complete sides of the frame are welded only requiring assembly of the cross bars and centre bars.

### Tall Frame

2622 H consists of:

- 2622 Frame
- 1 x Metal Top
- 4 x 362 double shelves
- 4 x Feet

#### Frame Colours

-  **Grey frame**
-  **White frame**
-  **Beige frame**

Ref: 2622 H  
 Height: 72 <sup>3</sup>/<sub>4</sub>"  
 Width: 28"  
 Depth: 16 <sup>1</sup>/<sub>2</sub>"

Supplied flat packed for easy self-assembly

### Steel shelves

The wide frame helps store the largest items. The steel shelves make the most of the flexible Gratnells system. Each shelf is **fully adjustable** depending on the height of the contents and is 25 <sup>5</sup>/<sub>16</sub>" wide by 16 <sup>5</sup>/<sub>16</sub>" deep and will take 44lbs evenly distributed.

Wide steel shelves are specially strengthened for heavy loads and have upturned 1" back and sides.
