

The Adjustable Gratnells System

Mobile Storage

With the Gratnells Mobile Storage range there is a different trolley to suit every need. All Gratnell trolleys are fitted with heavy duty 3" castors fitted into solid steel blocks for extra strength. The recessed tops are removable with open corners for easy cleaning. The trolleys are available in two heights, for under bench storage (28¹/₂") or level with standard surfaces (33¹/₂").

Finish

All parts are degreased and phosphated to increase scratch resistance before grey, white or beige epoxy coating in a matt finish.

Assembly

Supplied packed flat with instruction leaflet. The complete sides of the frame are welded only requiring assembly of the cross bars and centre bars.

Trolley

2022 U consists of:

- 2022 33¹/₂" High Trolley
- 1 x Metal Top
- 2 x 362 double shelves
- 4 x Heavy Duty Castors (3" diameter)

Frame Colours

-  **Grey frame**
-  **White frame**
-  **Beige frame**

Ref: 2022 U
 Height: 33¹/₂"
 Width: 28¹/₂"
 Depth: 16¹/₂"

Supplied flat packed for easy self-assembly

Steel shelves

The wide frame helps store the largest items. The steel shelves make the most of the flexible Gratnells system. Each shelf is **fully adjustable** every 1" and is 25⁶/₁₆" wide by 16⁵/₁₆" deep and will take 44lbs evenly distributed.

Wide steel shelves are specially strengthened for heavy loads and have upturned 1" back and sides.
